

Universal Design for Learning = Learning for All

It can be a tremendous challenge to ensure that you are meeting the needs of every student in your classroom, school, or district.

ABOUT US

At Growing Minds Consulting, we empower educators to reach and teach all learners. Using the principles of Universal Design for Learning (UDL) in applying a systemic and practical approach to instructional planning, we ensure learning environments and materials are intentionally inclusive and that success is attainable across the full spectrum of developmental stages of school-age growing minds.

SERVICES INCLUDE

- Actionable Professional Learning
- School and District Consultation
- Keynote Presentations

Call or email today to set up your free 15 minute consultation to see how we can help you meet the needs of all your learners.
